NAME: _____ UNIT#: _____

- **RV LOT:** The Board or its agent will notify the owner when a space is available for either a primary or sub lease based on their position on the wait list with first position receiving first offer. The owner must then provide a current valid registration and proof of required insurance within 10 days and take occupancy of the space within 20 days OR elect to have his/her name moved to the bottom of the list OR elect to have his name removed from the list. EXCEPT, if the space available is not large enough to accommodate the needs of the owner being offered the space and a reassignment of spaces will not provide a space sufficient for his/her needs, the owner may decline the space without affecting his/her position on the wait list and the space will then be offered to the next person on the wait list.

- **SLIPS:** Upon availability of a slip the person in first position on the waiting list will be notified of the availability of a slip. The owner must then acknowledge that the slip is large enough to accommodate their vessel, sign a lease and provide a current registration and proof of insurance within 10 days and take occupancy of the slip within 30 days. Failure to do so will result in the slip being offered to the next person on the waiting list. Should that occur it would not affect the first position owners position on the waiting list.
